Team leaders will know the procedures for opening and closing of the Lot. Randy Miller requests that no donations of trees or price discounts be made by any Member without obtaining approval from Randy or the Team Captain. Randy's phone number will be posted in the concession trailer.

Concession Stand.

Construction of the new Concession Stand is well under way. Thank you to all who have spent time and energy on this project. The Home Association expected that brick laying labor would be donated free of charge. However, that donation was lost and the Association has incurred a substantial labor cost. As a consequence, the Association is looking for any donations of materials, equipment or cash to help with the cost of the concession stand. If you can be of assistance in this regard, please contact Denny Knobe or any Home Association Officer. The Concession Stand benefits the Council and the kids in the Soccer Program.

Adopt A Family. This Christmas Season, the Council has decided to adopt a family through the St. Joseph Vincent DePaul Society. Randy Miller has volunteered to lead and coordinate the purchase of the items needed for the family. Thank you, Randy.
